

The 68th TERI Summer School
(July 30~August 2, 2019)

Summer School is fun
From morning to night we play
If we did this much at home
You and I (What would happen?)
Would get very good.

Dr. Shinichi Suzuki wrote these lyrics for “Andantino” in the 1960s. We used to sing and play it together.

We, the Summer School Committee, are presently planning programs for the 68th TERI Summer School with the hope that the participants will spend each day having fun as Dr. Suzuki wrote in this song and that they will be motivated after returning home as well.

In 2019, the Summer School for all instruments (Violin (Viola), Cello, Flute, and Piano) will be held on the same dates. Siblings can attend the events together even if they are studying different instruments. The Opening Ceremony on July 30 and the Farewell Concert on August 2 will be held in the Main Hall of the Matsumoto Performing Arts Centre for students of all instruments.

We are planning to hold the special evening concerts on July 30 and August 1. We are also planning Repertoire Classes, Group Lessons, String Ensemble Lessons, Master Classes for Advanced Students, Afternoon Concerts, etc.

We intend to arrange venues that are not far from the Matsumoto Performing Arts Center. Also, since last summer was extremely hot, we are trying our best to find venues with air conditioners.

As soon as all arrangements have been made, detailed information about registration will be announced on our website.

I hope to see you in Matsumoto on July 30.

Sincerely,

Etsuko Suehiro
Chairperson of the 68th Summer School Committee
